

**NOTICE OF PROPOSED CONSTRUCTION
ON COUNTY RIGHT OF WAY**

To: Kendall County Commissioners Court
Kendall County, Texas

Formal notice is hereby given that _____ proposes to place an _____ within the right-of-way or across _____ Road, in Kendall County Texas as follows: Attach sketch (Give location , length, general design,depth, width,trench details, ect.)

The object(s) due to be constructed on the county road as shown on the attached drawing shall be in accordance with governing laws, including, but not limited to any rules, regulations and policies of the Commissioners Court of County of Kendall.

I further understand that the County requires proper traffic control measures as those complying with applicable portions of the **Texas Manual of Uniform Traffic Control Devices** (MUTCD) required for adoption by the " Uniform Act Regulating Traffic on Highways" (V.C.S. 6701d).

The location and description of the proposed construction and appurtenances is more fully shown by schedules and/or complete sets of drawings attached to this notice.

I further agree to return the road and/or ditches to their original, or better, condition prior to construction.

No more than one-half (1/2) of any road will be closed at the same time. One-half (1/2) of the road must be left open allowing traffic to pass.

No trench in a road or right of way (R.O.W.) will be left open overnight.

No debris or other obstruction will be left in the road or right of way (ROW) once construction is completed.

Kendall County Commissioners Court will be advised when construction is completed.

Each interruption of the existing road right-of-way (ROW) will require a new notice of proposed construction to be filled with Commissioners Court.

I further understand and agree that the County reserves the right to give no less than thirty (30) days notice for the removal of any object previously approved that extends into or across the county right-of-way (ROW).

Construction will begin on or after the _____ day of _____, 20____
