  - b. Why is relief necessary for the preservation and enjoyment of a substantial property right of yours?

From the Kendall County (KC) Development Rules and Regulations  
(Section 106)

1. Date November 9, 2020
2. Location of Property: 10897 S. US Highway, Fredericksburg,  
Kendall County, TX 78624
3. Name of Development (If Applicable): N/A

  - a. What special circumstances or conditions affecting the land involved such that the strict interpretation of the provisions of these regulations would deprive you of the reasonable use of this land.  
When owner acquired this property from relatives, owner  
did not understand the minimum lot size requirements. For  
many decades, the current use of the property has been substantially  
the same, as a single family rental.
  - b. Why is relief necessary for the preservation and enjoyment of a substantial property right of yours?  
Owner has contracted to sell the property but is not  
able to do so without the granting of the  
requested relief.

- c. Will the granting of relief not be detrimental to the public's health, safety, and welfare? Please explain.

The granting of relief will not be detrimental since  
as previously stated, for many decades, the current  
use of the property has been substantially the same,  
as a single family property.

- d. Will the granting of relief not have the effect of preventing the orderly subdivision of other land in the area? Please explain.

The granting of relief should not effect or prevent the  
orderly subdivision of land in the area, as it is bounded

From the Kendall County (KC) Development Rules and Regulations  
(Section 106)

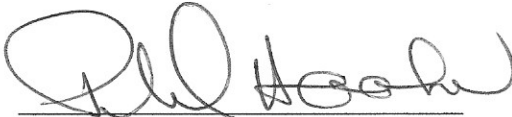

1. Date October 26, 2020
2. Location of Property: Hill Crest BLK 6 LOT 6, Property ID 50282  
Hill Crest BLK 6 LOT 5, Property ID 23201
3. Name of Development (If Applicable): Hillcrest Estates
4. Property Owner/Developer Name: 1807 Land & Cattle Company
5. Relief Requested (Reference the specific Section/Paragraph of the current KC Development Rules and Regulations:  
The preliminary Hillcrest Subdivision Plat was approved by commissioners court on March 11, 2019. The applicant is seeking a request for relief from Ordinance 203.1900 of the Kendall County Development Code. A time extension of two years is being requested for the preliminary Hillcrest Subdivision Plat to complete construction of the project.
6. Reason(s) for Requesting Relief: (Please refer to Section 106, Relief by County Commissioners Court in answering these questions)
  - a. What special circumstances or conditions affecting the land involved such that the strict interpretation of the provisions of these regulations would deprive you of the reasonable use of this land.  
Strict interpretation of the regulations would prevent the owner from completing the process as intended. The recent events that have transpired due to the COVID-19 pandemic did not allow the owner to continue the process in a timely manner.
  - b. Why is relief necessary for the preservation and enjoyment of a substantial property right of yours?  
The requested time extension would allow for the preservation and enjoyment of a substantial property right.

- c. Will the granting of relief not be detrimental to the public's health, safety, and welfare? Please explain.

Granting the time extension on the preliminary plat would not impact the health,  
safety or well being of the general public. These variables are independent from  
the request.

- d. Will the granting of relief not have the effect of preventing the orderly subdivision of other land in the area? Please explain.

The orderly subdivision of other land in the area is not affected by granting the  
time extension of the plat. The requested time extension will allow for proper  
subdivision of the land as stated by the Code.
