Bid Request # 2024-02

Page 1 of 17 Pages

Bids will be received by Corinna Speer, Kendall County Auditor at the Kendall County Courthouse 201 E. San Antonio Avenue, Suite 113, Boerne, Texas 78006 until **Tuesday, October 3, 2023 at 10:30 am** at which time bids will be publicly opened and read aloud by Corinna Speer, Kendall County Auditor

A. SCOPE OF BID

Bids are solicited for furnishing the merchandise, supplies, service, and/or equipment set forth in this bid request for a period beginning **October 10, 2023** and ending on **September 30, 2024** in accordance with the following Conditions of Bidding.

B. CONDITIONS OF BIDDING

The following instructions apply to all bids and become a part of terms and conditions of any bid submitted to the Kendall County Purchasing Office, unless otherwise specified elsewhere in this bid request. All bidders are required to be informed of these Terms and Conditions and will be held responsible for having done so:

1. Definitions: In order to simplify the language throughout this bid, the following definitions shall apply:
 - a. **KENDALL COUNTY** - Same as County.
 - b. **COMMISSIONERS' COURT** - The elected officials of Kendall County, Texas given the authority to exercise such powers and jurisdiction of all county business as conferred by the State Constitution and Laws.
 - c. **CONTRACT** - An agreement between the County and a Supplier to furnish supplies and/or services over a designated period of time during which repeated purchases are made of the commodity specified.
 - d. **CONTRACTOR** - The successful Bidder(s) of this bid request.
 - e. **COUNTY** - The government of Kendall County, Texas and its authorized representative.

- f. **SUB-CONTRACTOR** - Any contractor hired by the Contractor or Supplier to furnish materials and services specified in this bid request.
 - g. **SUPPLIER** - Same as Contractor.
 - h. **TxDOT SPECIFICATIONS** – Texas Department of Transportation Standard Specifications for Construction and Maintenance of Highways, Streets, and Bridges, November 2014.
2. Upon acceptance and approval by the Commissioners Court, this bid effects a working contract between Kendall County and the successful bidder for the period designated.
 3. Bids must be received by the Auditor’s Office prior to the time and date specified. The mere fact that the bid was dispatched will not be considered; the bidder must have the bid actually delivered.
 4. The County reserves the right to accept or reject in part or in whole, any bids submitted, and to waive any technicalities for the best interest of the County.
 5. Kendall County shall not be responsible for any verbal communication between any employee of the County and any potential bidder. Only written specifications and written price quotations will be considered.
 6. Kendall County reserves the right to reject any bid that does not fully respond to each specified item.
 7. Bidder must include Employer Identification Number for the bid to be valid.
 8. Should there be a change in ownership or management; the contract shall be canceled unless a mutual agreement is reached with the new owner or manager to continue the contract with its present provisions and prices. This contract is nontransferable and may not be reassigned by either party.
 9. The County may cancel this contract at any time for any reason, provided a thirty-day written notice is given.
 10. The bid award shall be based on, but not necessarily limited to, the following factors:
 - a. Unit price
 - b. Extended price
 - c. Special needs and requirements of Kendall County
 - d. Results of testing samples (if required by Kendall County)
 - e. Delivery
 - f. References
 - g. Kendall County's experience with products bid
 - h. Vendor's past performance record with Kendall County.

11. Although the cost of products to be provided is an essential part of the Bid, Kendall County is not obligated to award a contract on the sole basis of cost but will award to vendor considered to be the best value to Kendall County.
12. Acceptance of merchandise, work, and/or equipment provided shall be made by the County at the sole discretion of the Commissioners Court when all terms and conditions of the contract and specifications have been met to its satisfaction, including the submission to the County of any and all documentation as may be required.
13. Title and Risk of Loss of the goods shall not pass to Kendall County until the County actually accepts and takes possession of the goods at the point or points of delivery.
14. This agreement shall be governed by the Uniform Commercial Code as adopted in the State of Texas as effective and in force on the date of this agreement.
15. Bids must be submitted on quantities and units of measure specified by the bid documents. In the event of errors in extended prices the unit price shall govern. Any suggested change in quantity on the part of the bidder to secure better price or delivery is welcomed and may be given consideration provided that the bidder also bids on the quantity specified.
16. Bids must specify the number of consecutive calendar days required to deliver the commodities under normal conditions. Failure to specify delivery time will be considered reason enough to cause the bid to be disregarded. Delivery time quoted will be given consideration in awarding orders. If delivery is not made within a reasonable time of the specified delivery in the bid, the entire order or contract may be canceled and the bidder barred from quoting in future bids.
17. Bids cannot be altered after receiving time. No bid may be withdrawn after opening time without acceptable reason and with the approval of the Purchasing Agent.
18. Bids must be submitted on this form and returned in a sealed envelope clearly marked with Vendor Name and Bid Number to ensure proper recognition upon its arrival. Bids will not be considered if submitted by telephone, fax or any other means of rapid dispatch, nor will a bid be considered if submitted to any other person or department other than specifically instructed. Bids received after the expressed date and time listed in this bid will be returned unopened to the vendor. Bids submitted to any other person or department other than the Kendall County Auditor's Office will not be accepted.
19. If vendor in receipt of notice is unable to bid, the bid should be submitted as a "No Bid" and returned to the Auditor's Office before opening time. This is necessary if vendor wants to remain on vendor list and receive future bid notifications.

20. Bids must show full firm name, mailing address and telephone number and be manually signed by an authorized sales or quotation representative of the bidder. Firm name and authorized signature shall appear in each space provided.
21. In the event of a needed change in the specifications sent to the bidder, it is understood that all the foregoing terms shall apply to the addendum or addenda.
22. The successful Bidder agrees to extend prices and terms to all entities that has entered or will enter into joint purchasing inter-local cooperation agreement(s) with Kendall County.
23. If sample testing is required, Kendall County will perform test through a third party. Vendor will be required to allow the third-party access to the facilities in order to acquire samples for testing. Failure to submit requested testing may disqualify bid.
24. Three (3) references are to be provided by bidder. Failure to submit references may result in disqualification of bid.
25. Contractor shall observe and comply with all federal, state and local laws, safety, and health regulations, ordinances, and all regulations which in any manner effect conduct of the work or services being performed.
26. In order to insure the safety of the public, the Contractor shall coordinate all work or deliveries with the Road and Bridge Department.
27. Any Subcontracting must be approved prior to commencement of the contract by the County Road and Bridge Supervisor.
28. Any variation from the specifications in this bid document must be indicated on the bid or on a separate attachment to the bid and labeled as such.
29. Any brand name, or manufacturer's reference used is considered to be descriptive – not restrictive – and is indicative of the type and quality the County desires to purchase. Bids on similar items of like quality will be considered only if it is noted in the bid documents and accompanied by fully descriptive product literature. All substitutions will contain the same active ingredients in the same percentages of the items listed in the bid. If notation of substitution in not made, it is assumed the vendor is bidding the item specified.
30. The County does not guarantee to purchase any minimum or maximum quantities. If any quantities are listed in the bid, they are estimated quantities used for calculating purposes only.
31. In the event the Supplier is unable to furnish any item within a reasonable time after order is placed due to strikes, war or any reason beyond the Supplier's

control, the County reserves the right to purchase these items from any source, without causing this contract to be canceled.

32. The successful vendor shall submit itemized invoices with clearly marked remittance copies to the following address;

Kendall County Auditor
201 E. San Antonio Avenue, Suite 113
Boerne, Texas 78006

Statements of accounts will not be sufficient to warrant payment. Unless other arrangements have been made; all invoices to be paid in full within 30 days after satisfactory delivery of commodities and or services and receipt of invoice at the listed address. Checks will be made payable to the successful vendor only, and shall not include sub-contractors, assignees, or any other party.

33. As a governmental subdivision, Kendall County is exempt from most types of taxes, including but not limited to sales tax, excise tax, and import duties. Such costs must not be included in bid prices. Tax Exemption Certificates can be obtained upon request by contacting the Kendall County Auditor's Office- (830) 249-9343.

34. Upon acceptance of a purchase order for any commodity or materials purchased by Kendall County, the vendor agrees to protect the county from any claim involving patent right infringement, copyright infringement, sales franchise disputes.

35. Unless otherwise specified, all items ordered from the successful vendor must be new, unused, and in first class condition. Products usually packaged for commercial sale shall be furnished in proper container so as to facilitate storage and handling.

36. Potential Vendors are advised they may have disclosure requirement pursuant to Texas Local Government Code, Chapter 176. This law requires persons desiring to do business with the County to disclose any gifts that have an aggregate value in excess of \$250.00 given to any employee of the County, County Official to the County Official's family members or employment of any employee of the County, County Official or the County Official's family members during the preceding twelve (12) month period. The disclosure questionnaire must be filed with the Kendall County Clerk. Refer to Texas Local Government Code, Chapter 176 for the details of this law.

37. Bidder understands that Kendall County is a government subject to Texas State and Federal public information statutes. Bidder hereby waives any obligation to the release to the public of any documents submitted in accordance with this bid.

C. SPECIAL PROVISIONS

1. All deliveries are to be made F.O.B. Kendall County Road and Bridge Department, during regular working days, and between the hours of 7:30 A.M. and 4:00 P.M. Monday through Friday, unless otherwise requested by the County and loaded into County trucks by the Supplier; or loaded and hauled and delivered anywhere in the County by the Supplier during the mentioned working days and hours.
2. Vendor will be required to notify the County Road and Bridge Department Office in the event of unforeseen delay arising in the delivery of a specified shipment. In the event a shipment will not arrive at the job site within two (2) hours of designated time Kendall County shall have the right to refuse acceptance of the order.
3. Vendor will be required to deliver to Kendall County Road and Bridge Department or job site in Kendall County when and where requested and remain on the job with truck and operator as long as required to completely place load.
4. Kendall County reserves the right to test any materials delivered at the requested site for compliance with specifications. The Bidder will remove immediately from the job site or right of way any materials that are deemed unsatisfactory.
5. Material Safety Data Sheets and Placards must be furnished at the time of delivery as specified by State and Federal Regulations (IF APPLICABLE).
6. Any Vendor vehicles traveling on County roads will not exceed its legal gross weight.
7. A **non-mandatory** Pre-Bid Conference will be held on **Tuesday, September 26, 2023 at 9:00 a.m.**, #3 Old Comfort Rd. Comfort, Texas 78013. Bidders are encouraged to attend any non-mandatory Pre-Bid Conference to ensure their understanding of Owner's bidding and contracting requirements. The Bidder must arrive and sign-in fifteen (15) minutes before the scheduled start time of the meeting.

D. INSURANCE REQUIREMENTS

1. The Bidder shall instruct his insurance agent or carrier to furnish to the County a Certificate of Insurance attesting to the issuance of the following parts of this section. Please note that such Certificates of Insurance and any required bonds must be issued and then approved by the Kendall County Auditor. **The Certificate of Insurance must be approved by the Auditor before any deliveries can be made.**
2. The Bidder shall furnish and keep in full force the following insurance during the term of this Contract:
 - a. Statutory Workmen's Compensation and Employer's Liability Insurance with waiver of subrogation.
 - b. General Liability *with* limits for bodily injury and for property damages of not less than \$1,000,000 CSL with Kendall County named as an additional insured.
 - c. Comprehensive Automotive Liability with single limits of \$1,000,000 for Bodily Injury and Property Damage Liability.
 - d. Cargo Insurance to sufficiently cover materials transported.
3. All of the aforementioned policies and Certificates of Insurance should be issued immediately after the Bidder receives notification of award.
4. The Vendor agrees to hold harmless Kendall County from any and all claims and liability due to the acts of the Vendor's employees and the operation of his equipment. The Vendor also agrees to hold harmless Kendall County from any and all expenses, including attorney fees, incurred by Kendall County in litigation or otherwise resisting such claims or liabilities as a result of the Vendor's employees' activities. Further, the Vendor agrees to protect, indemnify and hold harmless Kendall County from and against all claims, demands and causes of action of every kind and character brought by any employees of the Vendor against Kendall County due to personal injuries and/or death to such employee resulting from any neglect act, by either commission or omission on the part of the vendor or Kendall County.

E. INVOICE DOCUMENTATION

All invoices shall include a sketch consisting of dimensions and quantity calculation as supporting documentation for the invoice.

F. REFERENCES

Vendors shall provide a list of at least three (3) references, where work comparable in quality and scope to that specified has been performed within the past five (5) years. This list should include the names, phone number and email of the company/entity for which the prior work was performed to contact these references. A negative reference may be grounds for disqualification of bid.

G. **SPECIFICATIONS**

TECHNICAL SPECIFICATIONS:

1.0 SCOPE OF WORK

- 1.1 The successful bidder will be required to provide various concrete work and services on an as need basis. All orders will be placed by submission of a valid Kendall County Purchase Order, which shall contain a full description of work and services required, location, and start date.
- 1.2 Quantities listed are estimates based upon the best available information. The County reserves the right to order only the quantities needed to meet its needs.
- 1.3 Locations shall include any area within Kendall County.
- 1.4 **Unless otherwise instructed, the successful bidder shall be responsible for preparation of the job site and cleanup of work or services performed.**
- 1.5 **Unit prices listed on the Bid Proposal Form shall include all labor, materials, tools, equipment, and incidentals required to complete the work.**

2.0 GENERAL CONDITIONS

- 2.1 Standard Specifications
 - A. The material used in the construction of all individual projects shall meet the requirements of TxDOT Standard Specifications for Construction and Maintenance of Highways, Streets and Bridges November 2014.
- 2.2 Traffic Control
 - A. It is the responsibility of the Contractor to provide safe passage of traffic, and for ingress and egress to public and private property at all times during construction of all projects. Proposed Traffic Control Plan will be submitted to Kendall County for approval and will be in accordance with the Texas Manual on Uniform Traffic Control Devices (TMUTCD).
 - B. The Contractor will be required to provide for the safe passage of traffic on, and/or across, existing highways, roads or streets where such facilities are involved in the construction of the project. The number of traffic lanes may be reduced during daylight hours, when approved by the Kendall County Authorized Representative, in writing.

C. The placing and maintaining of barriers, warnings, and/or detour signs by the Contractor shall be on one of the following methods:

1. Kendall County will furnish the items required, if available.
2. If the items required are not available, the Contractor shall rent those items. The Kendall County Authorized Representative must approve the items to be rented. The Contractor shall charge Kendall County the rental price with no markup or administrative fee. The rental amount shall be included as a separate line item on the invoice the Contractor submits for payment, with a copy of the rental invoice attached. Kendall County will only pay the rental invoice amount as approved by the Kendall County Authorized Representative.

2.3 These specification reference "Standard Specifications for Construction and Maintenance of Highways, Streets, and Bridges: adopted by the Texas Department of Transportation (TxDOT) November 2014. These specifications/standards may be examined and/or obtained from:

Texas Department of Transportation
125 East 11th Street
Austin, TX 78701
Ordering information: www.txdot.gov

ITEM 1: HEADWALLS AND WINGWALLS

- A. The Contractor shall have the option of furnishing cast-in-place or precast headwalls. For the purpose of measurement, a headwall unit shall consist of one (1) headwall, two (2) wingwalls, apron will be paid for separately in accordance to TxDOT Specification 432 RipRap and appropriate standard.
- B. The headwall until shall be constructed in accordance with the TxDOT Bridge Division Standard Construction Detail

CH-PW-O Concrete Headwalls with parallel wings non skewed pipe culverts

CH-FW-O Concrete Headwall with flared wings non skewed pipe culverts

PW Concrete Wingwalls parallel wings box culverts Type PW-1 and PW-2

FW-O Concrete Wingwalls flared wings non skewed box culverts
- C. Materials, Construction, Measurement, and Payment will be in accordance to TxDOT Item 466 "Headwalls and Wingwalls".

For the purpose of bidding, the headwall units shall be grouped as follows:

| | <u>Diameter of Pipe</u> | <u>Unit of Measurement</u> |
|--|-----------------------------------|----------------------------|
| In accordance to technical specifications 1.4, 1.5 | 15" to 30" | Sq Ft |
| | 36" to 48" | Sq Ft |
| | 54" to 72" | Sq Ft |
| Kendall County completes site work | 15" to 30" | Sq Ft |
| | 36" to 48" | Sq Ft |
| | 54" to 72" | Sq Ft |
| | <u>Maximum Height of Headwall</u> | <u>Unit of Measurement</u> |
| In accordance to technical specifications 1.4, 1.5 | 5 ft | Sq Ft |
| | 10 ft | Sq Ft |
| Kendall County completes site work | 5 ft | Sq Ft |
| | 10 ft | Sq Ft |

ITEM 2: SAFETY END TREATMENT

- A. The Contractor shall have the option of furnishing cast-in-place or precast safety end treatments. For the purpose of measurement, a safety end treatment unit shall consist of one (1) safety end treatment, concrete riprap, and safety pipe runners (if applicable). Concrete riprap is required on all safety end treatments in accordance with the standard details. Safety pipe runners are required for the sizes of safety end treatments indicated on the standard details. Concrete riprap and safety pipe runners are subsidiary to the unit price for a safety end treatment unit.
- B. The safety end treatment shall be constructed in accordance with the following TxDOT Bridge Division Standard Construction Details as specified on the project construction documents.
 - 1. Type II Safety End Treatment SETP-PD (Parallel Drainage) (3:1 slope)
 - 2. Type II Safety End Treatment SETP-CD (Cross Drainage) (3:1 slope)
- C. Materials, Construction, Measurement, and Payment will be in accordance to TxDOT Item 467 "Safety End Treatment".
- D. For the purpose of bidding, the safety and treatment units shall be grouped as follows:

| <u>Diameter and Orientation of Pipe</u> | <u>Unit of Measurement</u> |
|---|--------------------------------|
| 15" to 30" Parallel Drainage | Sq Ft |
| 36" to 48" Parallel Drainage | Sq Ft |
| 15" to 30" Cross Drainage | Sq Ft |
| 36" to 48" Cross Drainage | Sq Ft |

ITEM 3: CONCRETE CURB AND GUTTER

- A. The Contractor shall have the option of installing Concrete Curb & Gutter by use of an extruding curb machine or by forming and hand finishing.
- B. Concrete curb and gutter shall be constructed in accordance with TxDOT Design Division Roadway Standard Construction Details "Concrete Curb and Gutter" CCCG-12.
- C. Materials, Construction, Measurement, and Payment will be in accordance to TxDOT Item 529 "Concrete Curb, Gutter, and Combined Curb and Gutter".
- D. All concrete Curb and gutter shall be cleaned to remove discoloration as directed by the Kendall County Authorized Representative.
- E. Concrete curb and gutter shall be measured by the linear foot.

ITEM 4: CONCRETE MEDIANS

- A. Concrete for median pavement shall be Class "A" 3000psi. Steel reinforcement for use in concrete medians shall be 60 ksi deformed billet steel (#4 re-bar) or wire fabric (#6 wire panel). Furnishing and placement of reinforcing steel is subsidiary to the square yard unit price for medians.
- B. Concrete median pavement shall be nominal six-inch (6") thickness and reinforced with #4 or No. 6 gauge, 6-inch (6") wire fabric. Reinforcement placement shall be no closer than one-inch (1") or greater than three-inches (3") from the edge of the median pavement.
- C. Where concrete median pavement is to be placed within or adjacent to existing asphalt pavement, the existing asphalt pavement shall be full depth saw cut twelve inches (12") from the edge of proposed median pavement. Wood or metal forms shall be securely staked to line and grade and maintained throughout concrete placement. Saw cut line in asphalt pavement SHALL NOT

be used as form for concrete placement. Where concrete median pavement is to be placed adjacent to concrete curb & gutter, the back of curb shall be used as the form.

- D. Expansion Joints: One-half inch (1/2") pre-molded expansion material shall be used between the median pavement and curb and gutter and at all rigid structures within the median pavement.
- E. Curing compound is required on all concrete median pavement unless specifically excluded by the project plans and specifications. Application of curing compound is subsidiary to the unit bid price for concrete median pavement.
- F. Longitudinal and transverse tool joints shall be placed at maximum six-foot (6') spacing.

Align tool joints with curb and gutter joints where feasible.

- G. The unit price for concrete median pavement shall include:
 - 1. Furnishing, transporting, and placing all concrete and reinforcing steel.
 - 2. Excavation and backfill.
 - 3. Saw cutting and disposal of asphalt pavement.
 - 4. All other material, labor, tools, equipment, and incidentals necessary to complete.
- H. Concrete median pavement shall be measured by the square yard.

ITEM 5: SIDEWALKS AND BARRIER FREE RAMPS

- A. Steel reinforcement will be in accordance to TxDOT Item 432 "Riprap".
- B. Concrete sidewalks shall be nominal four-inch (4") thickness.
- C. Sidewalks shall include a tool joint at intervals equal to the width of the sidewalk. Install expansion joints composed of one-half inch (1/2") expansion material at the connection between sidewalk and barrier free ramps and between sidewalk and concrete curb and gutter where proposed sidewalk abuts curb and gutter.
- D. Sidewalks and barrier free ramps shall be constructed in accordance with TxDOT Design Division Roadway Standard Construction Details "Pedestrian Facilities Curb Ramps" PED-18. Project specific details will be provided in the construction plans.

- E. Materials, Construction, Measurement, and Payment will be in accordance to TxDOT Item 531 "Sidewalks".
- F. Sidewalks and barrier free ramps shall be measured by the square yard.

ITEM 6: CONCRETE DRIVEWAYS

- A. Concrete driveways shall be nominal five-inch (5") thick.
- B. Install expansion joints composed of one-half inch (1/2") expansion material at the connection between concrete driveway and existing concrete sidewalk, if applicable.
- C. Materials, Construction, Measurement, and Payment will be in accordance to TxDOT Item 530 "Intersections, Driveways, and Turnouts".
- D. No adjustment will be made in the unit price for thickness in excess of five inches (5").
- E. Concrete Driveways shall be measured by the square yard.

ITEM 7: TOPSOIL

- A. The topsoil may be obtained from the right of way at sites of proposed excavation or embankment when approved by the Kendall County Authorized Representative. When it is necessary to obtain materials sources off of the right of way, the Contractor shall provide sources of material acceptable to the Kendall County Authorized Representative.
- B. Topsoil shall be free of trash, debris, and construction rubble. Topsoil shall not contain rock or rock fragments larger than three inches (3") in diameter.
- C. The topsoil shall be spread so as to form a cover of uniform thickness as shown on the plans. Unless otherwise specified, the topsoil shall be four inches (4") in depth. Final placement shall be raked or fine graded to give a neat and finished appearance, free of ruts or mounds.
- D. Materials, Construction, Measurement, and Payment will be in accordance to TxDOT Item 160 "Topsoil".
- E. Topsoil shall be measured by the square yard.

ITEM 8: SEEDING FOR EROSION CONTROL

- A. Seed material provided shall be appropriate for the location, soil type, and time of year for which the planting will occur. The seed mixture and rate of application shall conform to Table 1 of TxDOT Standard Specification 164,

Permanent Rural Seed Mix, for the San Antonio District.

- B. Materials, Construction, Measurement, and Payment will be in accordance to TxDOT Item 164 "Seeding for Erosion Control".
- C. Seeding for erosion control shall be measured by the square yard.

ITEM 9: DEMOLITION, REMOVAL, AND DISPOSAL

- A. This item shall include the demotion, removal and disposal of existing concrete headwalls, asphalt pavement, driveways, sidewalks and other existing concrete surfaces.
- B. Limits of existing pavements to be removed shall be marked in the field by Kendall County. The Contractor shall saw cut all removal limit lines in a neat and workman like manner. Jagged saw cuts or broken pavement edges will not be allowed. Cost of replacement for surfaces not designated for removal or damaged during the demolition process will be the responsibility of the Contractor.
- C. Demolition debris become the property of the Contractor and are to be legally disposed of in a matter acceptable to Kendall County.
- D. Unit bid for demolition, removal, and disposal shall be by the square yard.

ITEM 10: MISCELLANEOUS WORK

- A. This item shall include all concrete work not specifically addressed above. This unit price bid item shall only be used with the required scope of work is not included in the standard bid items enumerated elsewhere in this specification and only when authorized in writing by the Kendall County Authorized Representative.
- B. Concrete for all miscellaneous work shall be Class "A" 3000 psi. unless the Kendall County Authorized Representative authorizes use of a higher strength mix.

Steel reinforcement for all miscellaneous work will be in accordance to TxDOT Item 440 "Reinforcement for Concrete".
- C. Concrete installed under this item shall be measured by the cubic yard in place and shall include:
 - 1. Furnishing, transporting, and placing all concrete and reinforcing steel.
 - 2. Excavation and backfill.
 - 3. Connections to existing structure.

- D. Labor and equipment charges for the installation of miscellaneous concrete work, other than those included in Item C above, shall be at the hourly rate schedules for labor and equipment established in the bid documents. The labor rate will include all tools and incidentals necessary to perform the work.

- E. Prior to proceeding with miscellaneous concrete work, the Contractor shall provide to the Kendall County Authorized Representative for approval a written estimate of all charges anticipated to complete the work, including any specialty material or equipment requirements not covered by the standard schedules. The Contractor's invoice for payment shall reflect the same schedule of values as showing on the written estimate with substantiating backup for the charges such as time tickets, load tickets, rental invoices and equipment time sheets. Deviation from the approved schedule of values may result in delay of payment until satisfactory supporting documentation can be provided.
