FOR IMMEDIATE RELEASE

Hazard Mitigation Plan Public Meeting on January 10th, 2022

Kendall County will hold a public meeting on Monday, January 10th at 6:00 pm to gather public input for updating their Hazard Mitigation Plan. The Plan includes Kendall County and the City of Boerne. The meeting will be held at the Kendall County Courthouse, 201 E. San Antonio Street, Boerne TX 78006, in the 3rd Floor Assembly Room. The public is invited and encouraged to attend the meeting.

The purpose of the public meeting is to provide a project overview from H2O Partners, Inc., consultant to the project, and solicit information from citizens. Public input will help the project team to analyze potential hazards affecting residents and recommend possible actions to reduce their impact. Hazards included are flood, wildfire, drought, extreme heat, lightning, thunderstorm wind, tornado, hail, winter storm, dam failure, hurricane/tropical storms.

A public participation survey is available at: <https://h2o.surveyparrot.com/s/Kendall-County-Hazard-Mitigation-Plan-Update/tt-7d6970>

The goal of the Hazard Mitigation Plan is to minimize or eliminate the long-term risk to human life and property from known hazards by identifying and implementing cost-effective mitigation actions. Mitigation is defined by the Federal Emergency Management Agency as sustained actions taken to reduce or eliminate long-term risk to people and property from hazards and their effects.

Questions about the Hazard Mitigation Plan should be addressed to H2O Partners, Inc., planning consultants for Kendall County; Attn: Heather Ferrara, Project Manager by email at heather@h2opartnersusa.com.
